### *Dates for your diary:*

**On August 29th**, there will be a Chris Gore Celebration to honor him properly! The event is scheduled for Saturday August 29th from 1-5:00 PM at the Georgia Racing Hall of Fame located at 415 GA-53 in Dawsonville, GA.

The event coincides with a beer fest. Chris Gore's V-8 MGB will be there on display as will some of his art. Chris apparently did a lot of the art on display at the Hall of Fame. He taught art for 27 years and more of his work will also be on display.

Chris was invited to bring his car to prestigious concourse show in Hilton Head, one of only 10 modified cars to get an

invitation. His car club plans to get the car there for him since he has passed,

Jim Orr wanted you all to know about the festivities in case there are some who knew Chris or just want to attend what promises to be a great gathering of classic cars.

**Sept 5<sup>th</sup>** EAG Cars & Coffee 227 Sherway Rd, Knoxville, TN 37922 Hours are 9-12 but you'll have to get there way before 9 if you want to show your car in the parking area. Let's try for another good LBC/Euro turnout.

Message from Mark Denton:

"Haven't chatted with most since the Townsend British Car Show, so I thought I would remind you of the annual open car show in Walland for the Walland Elementary School.

I'd love to get the British Car Owners behind this as the Porsche Club was last year. Absolutely no entry fees or cost to those willing to bring their cars, or just come watch. Even the food is free, and

music. They set up on what was the old High School football field, so easy in and out.

Last year, over 600 folks attended this Family Fun Night for the school, which was designed to get the parents out to this little school and support it. Also, to get the community behind them.

It is **Sept. 8<sup>th</sup> (Tues) from 5-7 pm**, so doesn't eat up a lot of time and is a good cause. See and please share attached flyer with your folks.

**11<sup>th</sup> & 12<sup>th</sup> September** will be a chance to drive down to Alabama for the **Shoals British Car Show** which will again be held in the beautiful Joe Wheeler State Park. Stay at the Lodge, rent a cabin or camp! You can get all the details at: <http://www.shoalsbritishcars.org/gathering/2015/index.htm>

**Sept 12<sup>th</sup>** is the date for the 12<sup>th</sup> Annual Wings Over Big South Fork Air & Car Show. No judging, just fun at the Air Show, registration is from 8am til noon and the entry fee is \$10. Dash plaques to the first 125 cars and there are cash prizes. See [www.wingsoverbigsouthfork.com](http://www.wingsoverbigsouthfork.com)

**The Great British Car Show** promoted by EAS & BBC will again take place in Greeneville TN with the host hotel being the General Morgan This year's dates are **Sept 16<sup>th</sup> & 17<sup>th</sup>** The SMJC will as usual be holding their Concours in conjunction with this so please plan on attending – we wish to finally beat their numbers!! See the Web for full details and registration forms.

**September 24<sup>th</sup>-27<sup>th</sup>** is when Pigeon Forge hosts the Healeys for the **Southeastern Classic XXIX**. Went to the

one they held in Townsend and there were some great cars there. Expect a repeat performance so if you are not going over the mountains to Hendersonville, then this would be a good day out. <http://atlantahealeys.org/events/southeastern-classic-xxix-sevierville-tn-sept-24-27-2015/>

**September** is a busy month as the **26<sup>th</sup>** will be the date for the **16<sup>th</sup> Annual British Car Show in Hendersonville** promoted by the BCCWNC. Details and registration at: [www.autumninthemountains.org](http://www.autumninthemountains.org)

**Oct 1<sup>st</sup>** is the date of our monthly meeting, venue to be decided at the Sept meeting

**Oct 3<sup>rd</sup>** is the date for the **Allardt Pumpkin Festival**. A real “small town” event, everyone is involved and it makes a great day out with all kinds of cars on show. The Show is judged by the Pumpkin Queens, there are great prizes and generally a fun day. We usually have a small British contingent, courtesy of the Plateau Club, and afterwards they sometimes organize a trip to a German Restaurant in Jamestown where food is served family style and everyone eats a whole lot more than they should. They don't serve booze of any kind but you are welcome to BYOB (nominal corkage charged). Meanwhile at the Festival everywhere you turn there is BBQ for sale, food stalls, craft stalls, jewelry stalls, antique stalls..... and don't forget the weigh-off for the pumpkins, watermelons etc. The parade includes the winners of the beauty pageants etc. More details later and at <http://www.allardtpumpkinfestival.com/>

**Oct 2/3** is the date for a show by Shenandoah Valley British Car Club at Ridgeview Park, Waynesboro, VA. Full details <http://www.svbcc.net/carshow.html>

**October 10<sup>th</sup>** is the date for the **Nashville Car Show** – and it will again be at the Parthenon, **pre-registration ends on Sept. 6th** which is also the cut-off date for ordering shirts and jackets with the new 25th anniversary logo. **Shirts and jackets are only available for pre-order** and are not available for purchase at the show. You do not have to register for the show to buy them; just click the link here to purchase any regalia from the Club store: <http://www.nashvillebritishcarclub.org/regalia/>

For full details, registration information, and to register on line, go to their Webpage at:

**The Coopers** are again in charge of the visit to Tybee Island for the Pirate Festival on **October 8<sup>th</sup> - 11<sup>th</sup>**. Contact them for full information about the trip/hotels etc. [marycoop13@gmail.com](mailto:marycoop13@gmail.com) or [bradg.cooper@gmail.com](mailto:bradg.cooper@gmail.com). 865-688-1619 or 865-384-0928. For more information on the event itself go to <http://tybeeisland.com/pirates/festival-info/schedule/>

**October 25<sup>th</sup>** is the date for the next Harper Square Cars & Coffee at West Town Mall and yes we hope to organize a Brit section again.

**2015** could be the year of the BMW – it will be the featured Marque at the **Euro Festival** held every year in Greenville SC.

The Show will be on the **17 October**, but if you can get there the day before there are usually lots of activities from drives to tech sessions. Of more interest to the Rigbys with their love of Citroens this show will also feature French Cars – if you know of anyone who owns one please have them contact Barbara or John so we can pass on full information. This year they are moving the show to the Embassy Suites & Verdae Greens. Vehicles entered in the show will be displayed on the fairways of The Preserve at Verdae golf course.

Further details available at: <http://www.euroautofestival.com/>, including booking information and **ticket sales for those attending but not displaying**. Pre-booked tickets will be \$10.00 but if you leave it to the day of show the price goes up to \$15.00 per person. Understand this fee includes parking and transportation to the show. By the way, the areas set aside for some marques are already full so if you are intending to show a vehicle you should act ‘with alacrity’

**Same weekend** it’s the Southeastern MG T Registers “Peace Love & MG” weekend in Macon GA. For registration and details see <http://www.semgrt.org/peace-love--mg.html>

### **Things of interest**

**Don’t** forget if you take part in something interesting (be it drive in drive, car show etc) please let us have a photo or two for the Newsletter and a note of where and when the event took place.

**Anyone** who likes to work on their own LBC might be interested in visiting this page. Rimmer Brothers of England carry catalogues, service manuals, technical information, DVD’s and even owners literature on many British cars <http://www.rimmerbros.co.uk/Item--i->

**You have** to hand it to the Germans – just look what a car factory can be: <http://www.youtube.com/embed/nd5WGLWNIA?rel=0>

**If you** still haven't watched this then you should <http://www.tvraaca.org/oldmovies.htm#movie>. As Charlie Bunnell says, whoever put this together should be congratulated. Pick a car and go to the film at the far right side and click on it. Cheers. 🍷👍

**Alan Rigby** discovered that Jim Fox, who has Kenny Boatman's old property (Ball Camp/Byington Solway) is selling cars in need of more than a little work! Here's the list he sent me 1966 MGB chrome bumper car, lots of character (and by character I mean rust). No interior or top, engine has been run three years ago. Seller says transmission shifts through all gears, but no drive shaft in car. May be worth the \$500 asking price for the aluminium bonnet, as new ones are quite pricey.

1968 MGB with many spare parts \$1000. Body fairly rough as got wet in a flood. Freshly rebuilt engine, currently not in car.

1975 TR6. Restoration in progress, rebuilt motor in car, near new convertible top, all seals and glass surrounds new but not installed. New biscuit color interior, solid body and chassis, needs assembly, prep and paint. \$6,000 firm.

Spare early (pre-emissions) TR6 engine, and

flood damaged second engine available for \$200

**Take a** look at this video if you haven't already done so <https://www.youtube.com/embed/ZetSRWchM4w?rel=0>

**Let us** know if you have a LBC for sale, or any other information you would like to share with Members.

### Ice Cream Drive

**As usual** there was a good turnout for Gary's Annual Ice Cream Drive which again took us on a winding trail ending up at Annabelle's Emporium and Café in historic downtown Loudon where we were served a great buffet before moving over the road to Tic Toc for a dessert of wonderful ice cream. Unfortunately we don't have any photos – if someone has any please email us copies for the next Newsletter.

### Rugby Show

**Return of The British Annual Car Show** was held Saturday, August 22nd in Rugby, TN. There were over 50 entries this year (47 registered and \*9 display including 3 Maseratis, an Aston Martin, and an MGA "RatRod"). Many were first time participants with cars from Missouri, Georgia, and North Carolina. (\*New this year, was a class for foreign cars other than British. This class did not get a trophy but the participants could vote.) There were **two** entries in the "Grody" class this year which Pat Bunnell won with her Spitfire!

The food vendors were deliciously awesome and included doughnuts fixed fresh, on site, by an Amish family; BBQ; kettle foods;

food truck; and the Harrow Road Café. No shortage of good eating and great British and other foreign cars.

Write up stolen from Melinda Watson's Facebook page. Photos are courtesy of Charlie Bunnell.

## August Meetings Notes

**There were** 34 Members and Guests at our August meeting, held at Ye Olde Steak House on Clinton Hwy. Meeting was good and naturally the food was great. The Treasurer announced there was \$1376 in the Bank and \$140.10 in the flower fund (plus whatever was in the hat).

Melinda Watson from Blount British joined us for the meeting, and reported on Springtime in the Smokies. The show had a net profit of \$3263.23 to be divided between the two clubs, in addition \$1000 was held over as seed money for the 2016 show. Also 3 tents and 2 tables had been purchased for use at next year's show. The move to the old show field was generally approved of, as cars were more visible from the road. Visitor parking was still a problem – working on this. It was suggested we sell food earlier on Friday.

Probably the only problem on Saturday was that the food ran out. This is supplied by the Carriage House which donates

everything back to the show, so changing the vendor is problematic. Awards – they are low cost – are they O K – please get any comments to Richard Lockhart (see advert at end of Newsletter).

Also please let Richard know if you think we should add a People's Choice Award which would be voted on by anyone visiting or taking part in the show. There would be a nominal charge for the voting slips which would increase income from the show.

The Blue Moon cruise led by BBC was a success – request that we do it again **before** the next Blue Moon!!

EAG drive-in was good, but the weather wasn't! We need to try again to get a large LBC contingent.

Harpers was a good show, 30 LBC's – will organize our "corner" again at the next one. If you want to take part need to get there early.

Webpage is good – check it out, address for this, the Facebook page and email contact are at the top of this Newsletter.

Need to have suggestions as to where EAS money from show is to be donated – discuss at next meeting.

Regalia – shirts, give some away. Still have key fobs, grill badges

Greeneville show coming up – let's outnumber the Jags

Cross TN Mike reported he had not had any interest yet – suggested we start with a long 1 day drive on 10/23 and maybe try Cross TN next year.

The Coopers are again in charge of the visit to Tybee Island for the Pirate Festival on October 8<sup>th</sup>- 11<sup>th</sup>.

Next meeting Dead End BBQ in Maryville, October meeting probably at Gourmet Market in Bearden – to be discussed at Sept meeting.

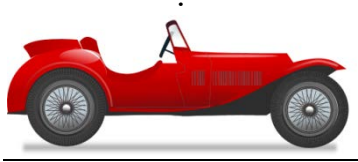

Progressive Dinner Dec 5<sup>th</sup>. Appetizers at the Paynes, Entree at the same place as last year and desserts with the AGM at the Lockharts (thanks to Jenn & Booty)

JoAnn Manges is not doing well at the present – flowers will be sent from the Club.

New cars – Gary has a 66 Healey 3000.

Please think about Officers and club positions for 2016.

Drive Volunteers are needed – please consider leading a drive either for a picnic or just to see the scenery.

**We** still have T shirts, Grille Badges and Key Fobs for sale – contact our new Paraphernalia Queen Jenn Payne – her phone number is on the list of Officers.

**Don't** forget - the Webpage and Newsletter will be carrying Ads – no cost to members for car sales ads, non members will be charged \$25.00, again these will

appear in the Newsletter and on the Web.

**We** are still in need of volunteers to organize and lead drives – if you have a route you like, why not share it with the Club Members – should you need help with this please talk to one of the Club Officers or members of long standing.

**For** future meeting places we would like suggestions from Members - if you can check the restaurant has a room for meetings and if any costs are involved that would be really helpful. The restaurant needs to be able to seat 25-40 members and be able to serve meals for that number in a reasonable time. Keep coming up with ideas for meeting places please, we really appreciate your help.

**Full details** of all meeting and drive arrangements are shown at the beginning of the Newsletter. If anything else comes to our notice before the next meeting we'll send out an email.

**An EAS Membership** form is attached – if you meet anyone with a LBC please encourage them to join the Club
